

## **Shrug Pattern**

### **SHRUG PATTERN**

Short cardigan fitted to waist, with half length set in sleeves, V neck.

#### **Notes**

*This is a simple pattern to knit: the only difficulty is the front shaping. It would be quite easy to change this to suit your knitting style; I have tried to keep it simple [see note below]*

#### **Yarn**

*I have used standard 4 ply yarn- any will do. I have also used finer mohair yarn at the same tension, which makes a nice light shrug. Tension 28 sts / 40 rows to 4 inches/ 10 cm: I used T7 throughout.*

#### **Notes on shaping**

*Front shaping can be either casting on a few stitches, then increasing row by row [as per instructions], or casting on the full amount, putting needles in hold position, carriage set to hold, and gradually bringing needles back to knit. NB waist shaping is done at the same time on the other side!*

#### **Finishing**

*The pattern has no bands or finishing to the edges. I crocheted mine, using double crochet all round for 2 rows, then increasing by crocheting twice in each stitch, worked two more straight rows, then did the increase again, then one more straight row, to produce a frill. I have also made it with just the first 2 rows of double crochet.*

*You could easily make a band on the machine: just hang the edges on in sections and make a hem at MT-1, perhaps with a picot edge.*
